## Emerging as Your Majestic Self

## Review of Module 6

What did you discover in your Sacred Space?

---

---

---

---

How did it feel to set aside that Sacred Space to connect with the Divine in you?

---

---

---

---

Has the Divine revealed itself to you? If so how?

---

---

---

---

Emerging as Your Majestic Self, means that you have to be willing to be visible. The Majesty in You will begin to create the life you desire as you allow it to be visible and active.

Now that you have felt the Majesty in You and know how amazing that feels, it's time to allow the world to see the Majesty in You.

What do I know I am gifted with, am excellent at, and can bless myself and the world by using? (list as many as come to you)....

Put this step into your calendar or appointment book right NOW. Give yourself a deadline by when you will take this step. This makes it real.
